

Parkgate Farm, Parkgate Lane  
Nether Handley, Sheffield, S21 5RP  
Tel/Fax: 01246 455 814

**Career area:** Operations

**Country:** UK

**Region:** Sheffield

**Job type:** Full Time Experienced Agricultural Mechanic/Engineer

**Salary:** £35,000 to £45,000 pa depending on experience and qualifications

### **About the role**

Due to our increasing workload and portfolio of clients across the UK and Europe, we are looking to recruit an experienced full-time Agricultural Mechanic/Engineer within our operations team.

The role will be based from our HQ near Sheffield, but if the candidate has the required practical skills, it could also involve working on our projects across the UK at internationally recognised stadia and sports facilities.

The ideal candidate will have the experience and skills necessary to be a key member of our team.

### **Who we're looking for would ideally have:**

- Experience in Agricultural engineering and maintenance with a range of machinery including Tractors, Telehandlers, Plant Machinery, mowers and strimmers etc.
- A good knowledge of diesel, petrol (4 and 2 stroke) engines, transmissions, hydraulics, electrics.
- The knowledge and ability to efficiently diagnose and rectify mechanical, electrical, hydraulic and functional issues and repair and service machinery ensuring work is carried out to a high standard, and recorded efficiently.
- Experience of operating plant equipment such as tractors, telehandlers, dumpers and excavators would be an advantage.
- Experience of overseeing other team members would be ideal.
- A CSCS or equivalent card and related professional qualifications would be an advantage, however training will be given where required.
- Hold a full UK (or equivalent) driving licence, and additional categories of licence will be seen as an advantage.

### **What we're looking for**

- A flexible approach to work, be willing to work additional overtime hours if the business requires.
- A team-focus with the ability to interact with a wide variety of people at all levels.
- A driven, self-motivated attitude, with the ability to work on your own initiative.
- An excellent eye for detail and a determination to complete projects to the highest standard.
- A good understanding of customer service and the ability to communicate with customers in professional and helpful manner.
- Focused on Health and Safety in the workplace.

## **About us**

Premier Pitches are specialist sports turf contractors who offer our expertise to many sports clubs and leading sporting organisations throughout the UK and Europe. Our client list includes many of the biggest names in professional sport and our team have the experience and knowledge to ensure that our customers receive the best possible project results. Our passion to create the perfect playing surface means that we aim to constantly surpass the ever-increasing expectations of groundsmen, players and spectators.

Premier Pitches is based on the southern outskirts of Sheffield between junction 29 and junction 30 of the M1. The company was started over 25 years ago and Premier Pitches has grown steadily to its current position as one of the UK and Europe's leading sports turf contractors.

Alongside standard pitch reconstruction and renovation, we specialise in the renovation and construction of reinforced sports pitches and have an extensive range of modern machinery and equipment associated with the management of these pitches.

We are now part of the MJ Abott Group who cover a large sphere of works from Sports Construction, landscaping and environmental works, water engineering and treatment, civil engineering and electrical control systems.

Our key personnel are highly experienced and all come from a grounds-management or green keeping background and as such we are well informed and able to understand the needs of modern sports turf managers.

We pride ourselves on our quality, efficiency, flexibility and customer service.
